PRINCIPAL'S LETTER

YOU SURVIVED!!! This year was filled with numerous challenges (COVID-19, Online Learning, the cancellation of normal extracurricular events, etc.), but you made it! As JCHS alumni Troy Poudrier once said, "It was just. . . keep trying, persistence!" Congratulations! Your hard work paid off. With all of the obstacles and challenges that surrounded us, I have thought a lot about the value of all that is learned when we overcome adversity. Hopefully, you can look back on this year and realize that you have learned some valuable lessons and you worked to overcome your own challenges. If you have felt that your challenges were great, remember: "The greater the obstacle, the more glory in overcoming it" (Moliere). Good luck to all of the graduates of 2021 with their future endeavors. We wish you great success! To all of you who are returning next year, we look forward to helping you learn and build friendships that will last a lifetime! Have a safe and enjoyable summer break!

you will not

DEDICATION

Kathy Mitchell

Never underestimate the impact that a kind, dedicated person can make!

Our schools are great because of the people in them, and the recent retirement of two of these people provides us with the opportunity to reflect back on their contributions and to express our gratitude for having the opportunity to have them as part of the Wildcat Team. We would like to thank Terry Johnstun and Kathy Mitchell for their years of dedicated service and for all that they have done. They have been great role models in their respective roles and responsibilities at Joseph City Schools. May the future hold great things in store for them because they truly deserve it. Thank you for being Joseph City Wildcats and for making a positive impact!

Sincerely,
B. Fields, Superintendent
Joseph City Unified School District

Not pictured: Trenton Deets

This year JR High Student Council was elected in a unique way. Because we started the school year online, we decided to hold elections online as well. Students who wished to join sent in videos of their speeches. The student body then voted for their favored candidate.
We had a number of candidates and all of them did a fabulous job on their speeches. The winner for president was Staisha Murdock. Our Vice President was Kaci Palmer, Secretary was Trenton Deets, Social Secretary was Tori Baird.
We were not able to have a very active year due to COVID-19 and the restriction implemented. By the end of the school year we were able to have a fun assembly and a dance for the student body. We were also able to assist the HS student body with activities that were beneficial for both HS and JR High students.
We are hoping to take a trip to the Valley as a council at the end of the year to celebrate the end of a successful school year, and another step towards a "normal" school year.
Thanks to all of the wonderful students who were willing to serve, and for those who did serve.
- Mrs. Bush

Wow - what a crazy year this has been!! Student Council has had to make a lot of changes and exceptions when planning activities due to COVID-19, but the students met the challenges and done excellent! We started off the year with a Disney Homecoming theme. Dress-up days consisted of Sleeping Beauty - PJ day, Cinderella - 2 different shoes, Rapunzel - crazy hair, and of course we finished up the week with a blue & gold day! We had a night parade with beautifully lit floats and even Aladdin flying on a magic carpet. Terri Johnstun was our Grand Marshal and was honored for her hard work and dedication to our school. At the homecoming pep assembly, the Sophomore class had the privilege of dunking Mr. Miller with their bulls-eye baseball shot! Thank goodness he is a good sport! Since we could not have a dance that night, we hosted a huge bonfire with music, snacks, and lots of memories made!
The Christmas pep assembly was done remotely through the whole school. Mr. Layden showed off his dancing moves while Mr. Bushman slyly sat in his office and let some of the volleyball girls take his place dancing! : (We celebrated Mr. Miller turning the golden age of 40 (I know- he looks so young)! The whole student body sang the fight song throughout the halls and then the student council handed out holiday flavored ice cream sandwiches!
In April, we were able to have a western themed Sadie Hawkins dance. We had another spirit dress up week to anticipate the dance! We had lots of "Rednecks" show their spirit! The dance was held outside in the patio area with a cozy fire pit keeping the cowboys and cowgirls warm. DJ Ro Ro kept the music spinning and everyone enjoyed line dances and slow songs! There was lots of snacks, soda, and s'mores and all the students enjoyed being social again!
Even with all the ups and downs of this year, the student council has shown great leadership and rose above the challenges we faced! I have really enjoyed working with this group of students and getting to know them! Enjoy your summer break! --- Mrs. Neal

AND NEVER BE AFRAID TO TAKE ANOTHER SHOT!

"The best things in life are the people you love, the places you've seen, and the memories you've made along the way." Another eventful year has passed and it was so exciting to be back in school - masked or not! It has been a year of learning to be flexible and rolling with whatever happens! Thanks for working hard on preserving the memories of this year and having a positive attitude about getting tasks done! It was always a fun adventure to teach these students! Each of them are unique and have their own creative ways to create layouts and make them interesting. It was a very enjoyable experience working with these students this year! We hope everyone enjoys our yearbook as much as we enjoyed creating it! Good luck to the 2021 Seniors as you move on with your life plans! Remember to make memories along the way and have

The National Honor Society (NHS) elevates a student's commitment to the values of scholarship, service, leadership, and character. These four pillars have been associated with the membership in the organization since its inception in 1921. Joseph City's organization was created in 1972. Chapter membership not only recognizes students for their accomplishments, but challenges them to develop further through active involvement in school activities and

SENIORS

The 2020 football season started late because of the AIA's decision to delay the season due to the COVID-19 virus scare sweeping the nation. When the AIA finally gave the okay to begin football practice, it was a month after a normal start date. The Wildcat football team started practice the day after Labor Day; it was apparent that the team was young and inexperienced for varsity level competition with only one Senior playing, Kaden McCormick. Kaden was a leader on and off the field for the predominantly Sophomore and Junior Wildcat squad.

As the season games kicked off, the Wildcats traveled to Anthem Prep, where there were bright moments in this contest offensively and defensively, but the Wildcats couldn't pull off a win. The next week we hosted the previous year's state champions, Williams Vikings. Even though we were improving, the Vikings proved to be better that night and took the win. In the third week of a shortened season, the Wildcats headed to Mayer and notched their first win of the season. There were some remarkable individual performances by T.J., Kaden, Riley, Blake, Tyler and Brody. In the fourth week of the season we played El Capitan for our Homecoming game and ended with a loss to that team. The fifth week the Wildcats hosted the Fredonia Lynx and played our best game of the season. We came out on top with John catching a touchdown pass late in the fourth quarter to seal the win. In the sixth and final week the Wildcats traveled to play our rival the Mogollon Mustangs. We gave it our best efforts of the season, but with our starting quarterback Blake out due to illness, we took a loss against the eventual state champions.

As 2020 fades into the annuals of history, Wildcats nation want to thank all the parents for their support of this young team. We want to thank all the volunteer coaches who assisted the Wildcat football team: Eldon Larsen, Caleb Layden, Aaron Johnstun, Latrell Kinlicheenie, and Porter Thomas. Also special thanks to Sara Napa for helping as an athletic trainer.

Next year the Wildcats will return 9 Seniors and 5 Juniors, who have gained valuable playing experience in the 2020 football season. We are looking forward, with great anticipation, for the start of 2021 football season. With the 2021 football season just around

WICKED IN SPANDEX

GO WILDCATS

LET'S GO GIRLS

SENIORS

This 2020 Volleyball season was filled with so many new experiences! Face masks, sanitizer, and all kinds of new rules, but you guys handled it so well. We had many new, talented girls join our program. We understood the word TEAM. We worked together and cheered each other on! We laughed until we cried and we learned MANY new things. We finished 3rd in our conference and went to state for the first time in years. We had leaders in every single stat category. Our opponents saw a whole new team and after every game, coaches couldn't believe how much we had improved. We did so many GREAT things! We loved coaching you and we are so grateful for the opportunity we had do it.

Coach Char & Coach T

CC

What can be said about "2020"? It was the year of uncertainty! COVID caused a delay in the fall sport programs. As the weather got colder, and the rise in COVID cases increased, it threatened cancellation of the season. In spite of all that, we were able to have a great team of fun and crazy athletes. Ledby Junior, Samuel Neat, the boy's team, though young and inexperienced, qualified for state. Placing fifth in the metro section, boy's XC team 2020 became the 2nd team to qualify for state in Joseph City School history. Team captain Samuel placed in the top five, with a PR of 16.48 (5.25/mile pace). Bryce Bushman, Bannon Johnstun, Owen Beatty, Kelten Chairez, Jaeron Miller, and Bridger Fields, (all Sophomores) with Freshmen Peter Miller, making up the rest of the team. Joseph City's girls team consisted of all underclassmen: Jasmine Nells, Abi Smith and Ava Hancock were all Sophomores. These girls brought spunk and laughter to the team and brought home several JV medals from different meets. We look forward to having more girls join us in the future, so we can compete as a team.

Having Roland Hancock as an assistant coach this year has been a true blessing. His music, positive attitude and support has made this year great! Thank you so much Coach H! I would also like to thank Coach Riva and our dungeon master/sports medicine angel Sara Napa'a for all the support and help this season.

Much like the year 2020, we all experienced ups and downs. Although our showing at state was less than we had hoped, we gained experiences and knowledge for next year. I have always said that some of the best kids run cross country, and this group proves it. We had some hilariously amazing laughs and crazy nicknames: Tyga, Keltbar, Sneat, Ava Bear, and "Bannons". We had many fun memories: pound runs, music intervals, dancing on the bus, yoga, goofy glasses, ultimate soccer, motorhome picnics, polar bear plunges, Bridgers's Shakira, and many more. 2020 is over, bring on 2021!

- Coach Gayla Smith

The 2020-21 boys basketball season was an adventure. It started out with two months of practice as we waited for COVID restrictions to be lifted. We had a very young and inexperienced team this year in regards to varsity basketball experience. When practice began there were many who wondered if we would be able to compete with some of the better teams in our conference. The team worked their tails off for two months and became a very formidable team. We ended up beating both of our rivals, Mogollon and Williams. By the end of the year, we were playing at a high level and were one win away from being region champs. We made the state playoffs for the 5th consecutive year. This is a tribute to the athletes and their attitude of no excuses and desire to be 100% responsible. Thanks for a memorable season! -Coach Eric Miller

We are very proud of our Lady Cat basketball team and the success they were able to achieve this year!! This year we will not forget the obstacles that we had to overcome in order to even have a season; these challenges did not slow our Lady Cats down. Our season was very successful for a couple reasons: First: The willingness both individually and as a team to sacrifice for the benefit of the team. Second: A fantastic coaching staff. Third: Hustle and hard work from every player on the team. We are grateful to our seniors and wish them all the best in their future endeavors. We cannot wait for next season to arrive!! Remember that success is knowing that you have done everything possible to become the best that you are able to become. See you next year!

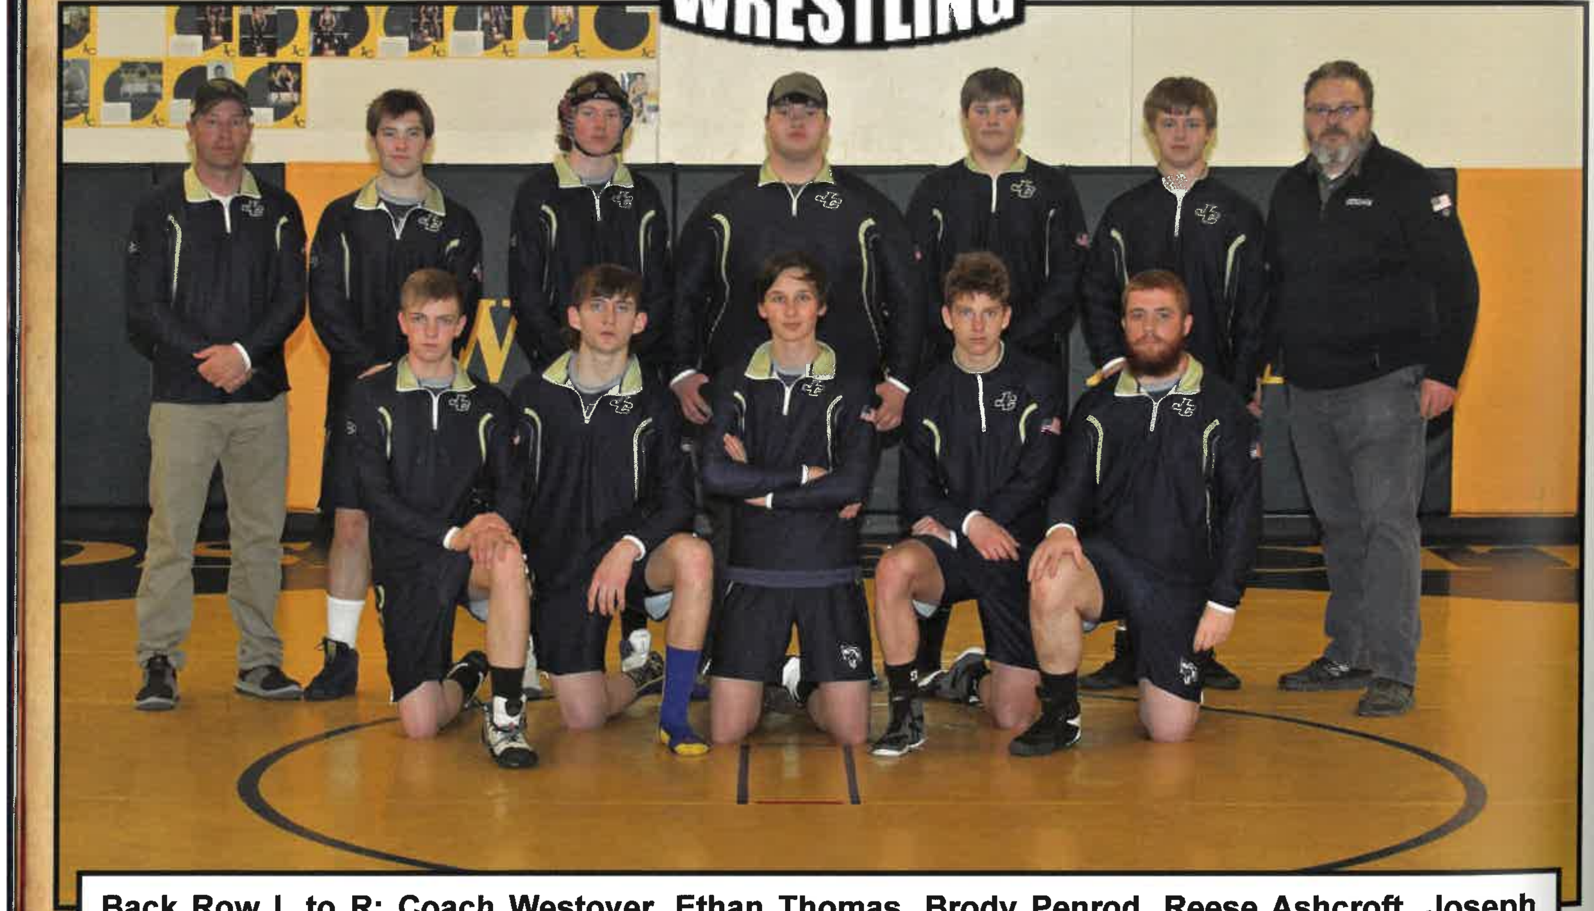
WILDCATS WRESTLING



Back Row L to R: Coach Westover, Ethan Thomas, Brody Penrod, Reese Ashcroft, Joseph Thomas, Hayden Fischer, Coach Fischer
Front Row L to R: Austin Westover, Owen Beatty, Bruce Weightman, Paul Wirbeleit, TJ Westover

The 2020-21 wrestling season was unlike any other in memory. A greatly reduced number of opportunities to compete. Having the season canceled, then restored were just a couple of the challenges faced by our wrestlers this season. Through it all, this group of young men remained dedicated to each other and the process of becoming better wrestlers. Every wrestler made progress on their individual path to mastery. Despite all of the hardships, it would be hard to think of a team or group of individuals that would have been companions in the adventure of this COVID year. We will be graduating Reese Ashcroft and Paul Wirbeleit. We will miss them and are grateful for their contributions. We look forward with great anticipation to the future as we continue to build our program and culture. Great things are to come. - Coach Fischer

AFTER HAVING NO SEASON LAST YEAR AND OUR HEAD COACH BEING INVOLVED IN A MAJOR CAR ACCIDENT THIS YEAR, WE STARTED FROM THE BOTTOM BUILDING UP. AS A "FILL IN COACH" I FELT I HAD BIG SHOES TO FILL. OUR TEAM WAS SMALL, BUT LARGE IN FUN, LAUGHTER, AND TALENT. SAMUEL NEAT IS WELL ON HIS WAY TO THE STATE CHAMPIONSHIP IN THE 800M, 1600M, AND THE 2 MILE. BRYCE BUSHMAN IS ALSO ON HIS WAY TO STATE IN THE 300M HURDLES, ABI SMITH IN BOTH THE 300M AND 100M HURDLES, ALONG WITH THE BOYS 4X400M RELAY TEAM. WE ARE HOPING FOR MORE AS THE SEASON DRAWS TO A CLOSE. BECAUSE OF ALL THE COVID RESTRICTIONS, WE STARTED LATER THAN USUAL AND HAD OUR SEASON SHORTENED; HOWEVER, WE ARE LOOKING FORWARD TO A MORE NORMAL SEASON NEXT YEAR. WE WILL MISS OUR SENIORS: PAUL AND REESE, BUT HOPE TO WELCOME MANY MORE ATHLETES NEXT YEAR TO THE TRACK AND FIELD TEAM. SPECIAL THANKS TO SARA NAPA'A FOR ALL HER HELP AND EXPERTISE WITH STRENGTHENING AND INJURY CARE THIS SEASON. SHE WAS AN ANGEL! COACH PUGH ALSO CAME BACK TO HELP WITH THE DISCUS THROWERS AND WE WERE SO THANKFUL FOR ALL THE SUPPORT WE HAVE RECEIVED! THANKS TRACK ATHLETES FOR WORKING HARD AND GIVING IT YOUR BEST! -COACH GAYLA SMITH

The Lady Wildcats started the season with 7 wins out of 8 of their first Varsity and JV games. The team this year has several senior players, but the majority of the team is made of freshmen and sophomores. The team has spent the majority of the short season ranked in the top five teams in the state. The Wildcats look forward to playing well enough to host a game in the first round of the state playoffs this season. We look forward to finishing the season strong and making a hard push to win as many games as we can in the state tournament. Thank you lady Wildcats for all your hard work and determination that you bring to each game and practice. We have played some great softball this year and learned many lessons that will help us in games and especially in the game of life.

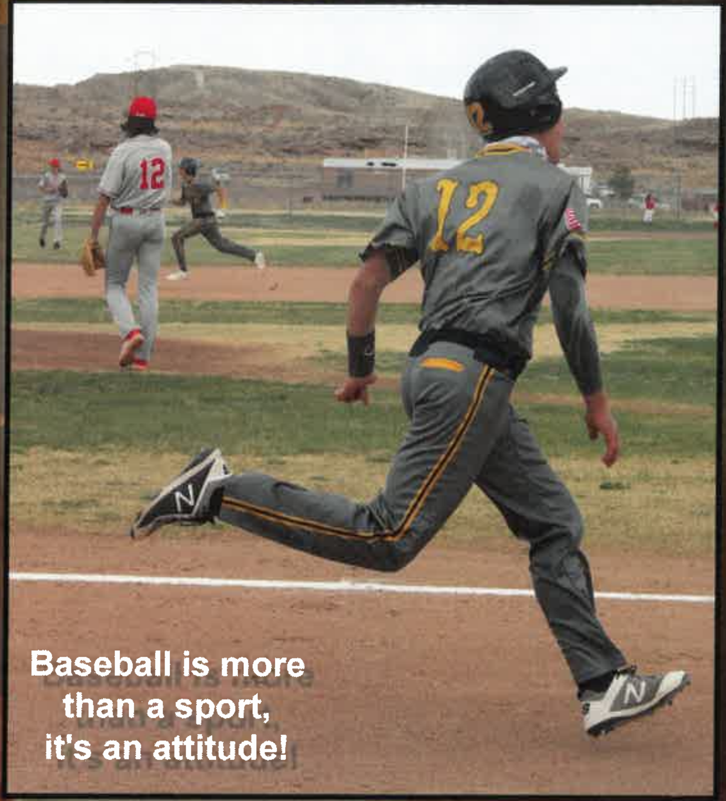
Dirt & Dreams

We got this!

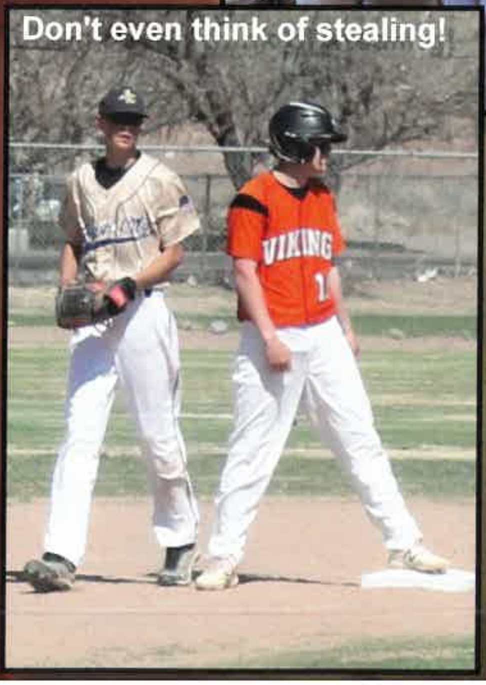
The Wildcat's baseball season start was delayed because of COVID-19 restrictions! The AIA mandated that teams would not be allowed to hold or go to tournaments, so our JC baseball tournament was cancelled for a second year. Baseball games finally started on March 30th, which was a month later than usual; however, the players and coaches are grateful that we got to have a baseball season.
We are about half way through a shortened season and we are excited about having a chance to play in the AIA 2021 State play-offs this year. We appreciate the leadership and dedication to baseball of the three returning seniors: Avery Buckley, Jay Edwards, and Colter Westover. These players have been a big part of JC baseball for the past four years, and they are looking to finish the 2021 season successfully!
This year we welcomed Caleb Layden as an assistant coach, while Coach Eldon Larsen returned for a sixth year and his contribution is greatly appreciated!
Wildcat baseball truly appreciates the efforts of Sam & Dana Johnstun and Shealynn Buckley who provide a first class baseball game experience!
Also thanks to JC Administration: Superintendent Bryan Fields, Principal Eric Miller, and Athletic Director Brad Fischer for all the support given to the JC Wildcat baseball team! - Coach Shawn Layden



Baseball is more
than a sport,
it's an attitude!

Raised in a cage!

Going, going, gone!



Don't even think of stealing!

The junior high football team had an outstanding season! We got off to a late start due to COVID restriction, but the boys made up for lost time with an undefeated season! Our schedule included Mayer (twice), Mogollon, and Williams. Each game the team improved greatly. By the end of the season, the scores were not close. It was a hard hitting, physical team. This is the only undefeated Joseph City JR High football team in the past 15 years (and possibly ever). The future is bright for the high school football team!

The JR High 7th and 8th grade teams had great seasons this year!
The 7th grade team ended with a final record of two wins and two losses. They really improved as the season progressed. It was the first time to play softball for a few of the players, but they really caught on and improved with each game. The team had exciting wins over Heber and Payson. They also had a really close loss in the last inning against Round Valley. Some games we only had nine players to compete, but they pulled together like a team and made it a great season!

The 8th grade team ended up losing in the end of the season tournament 11 - 9 to the eventual league champions in the semi-finals. This team had a great season as well. They had wins over Heber, Rim Country, Show Low, St. Johns, and Blue Ridge. They really worked hard and saw improvement over the season. All the ladies could hit the ball and were really good at it. We had our first over the fence home run for a JR High team in a long time. We were playing St. Johns in the first round of the end of season tournament, when the score was tied at 5 going to the top of the sixth inning. The lady Wildcats scored six runs in the inning capped by an over the fence homer by Gabby Jesmer. They held on to win the game 11 - 6. The future is bright for these ladies as they move to High School next year! Thanks for a great season!

COVID-19 made this season unlike any other. We started later than usual, we practiced two weeks and then we were shut down again! We thought our season was over, but then after three weeks we were back on in a limited way. We were able to have only two games. Parents were not able to come to the games, but could watch them on video. Through all of this, these girls had a positive attitude and love for this game! They worked hard at practice, and I saw great improvement. We beat Round Valley and Heber! We also had a great intersquad scrimmage. I am confident that if they would have been allowed to play, they would have gone far into the postseason. I look forward to next season, and wish the 8th Graders much success in high school! - Coach Edwards

Winnie's Gravestone

If you have the chance, would you live forever? I'm sure most of us have thought what life would be like if we were immortal. What things would we see? What world events would we experience? At first glance, the idea may sound intriguing, but the more you think about it . . . the harder living forever sounds. In the musical Angus Tuck says, "You don't need to be afraid of death, but afraid of being truly alive." It's a beautiful answer to the question posed above. Life is meant to be lived, and to cherish every second of it. This past year has been hard for all of us, in many different ways. As you watch this musical, I hope you can let go of the outside world and pay attention to the special message of love, family, and living life to the fullest! -Andy Foree, Director

My Sister

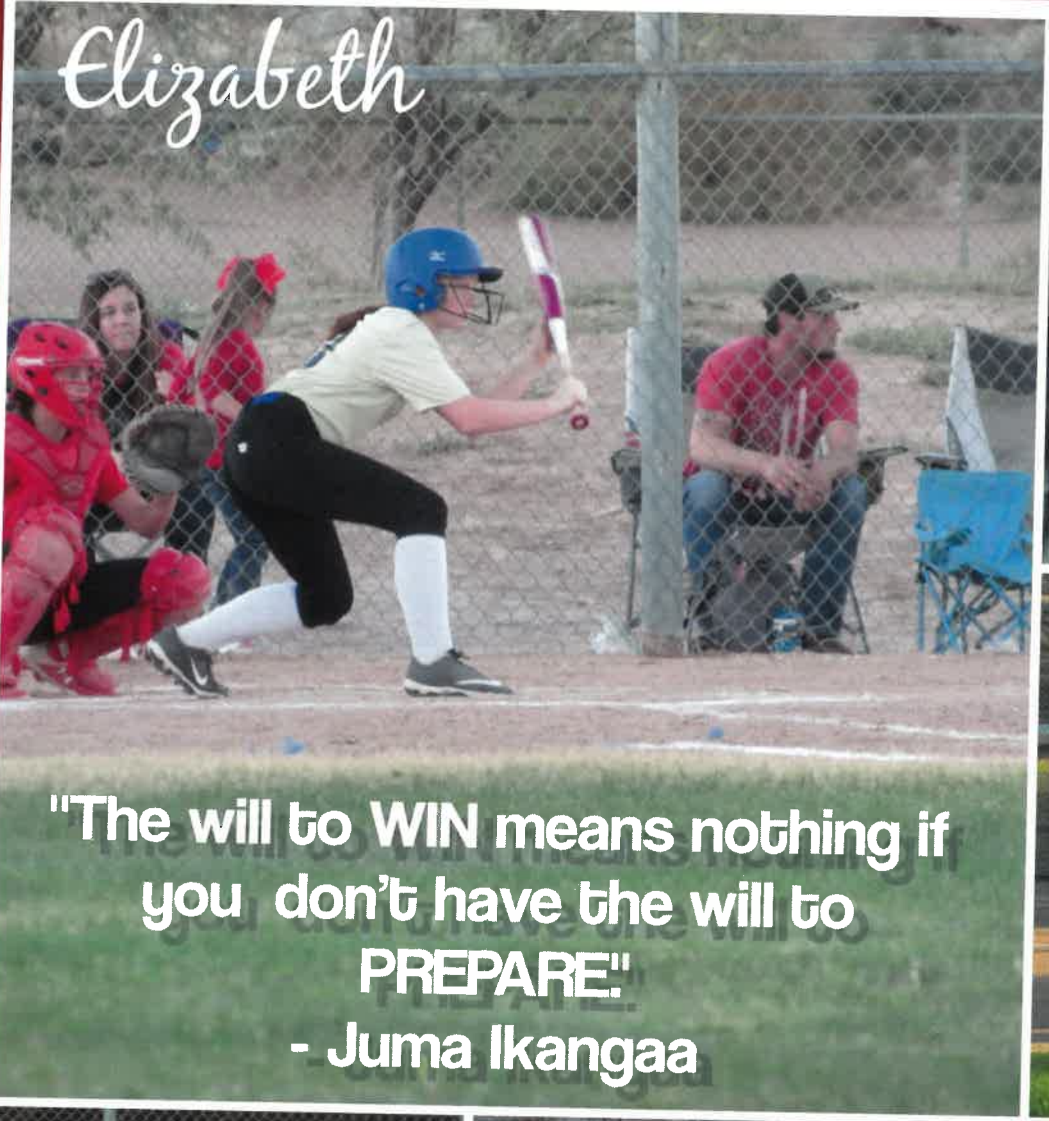
As kids, we lived together
we fought, we laughed, we cried.
We didn't always show the love,
that we both had inside.
We shared our dreams and plans,
and some secrets too.
All the memories we share,
is what bonds me now to you.
We grew to find we have a love
that is very strong today.
It's a love shared by our family,
you are my sister not by choice,
but by nature of our birth.
I could not have chosen a better one.
You are the best on earth.

Elizabeth



"The will to WIN means nothing if you don't have the will to PREPARE."

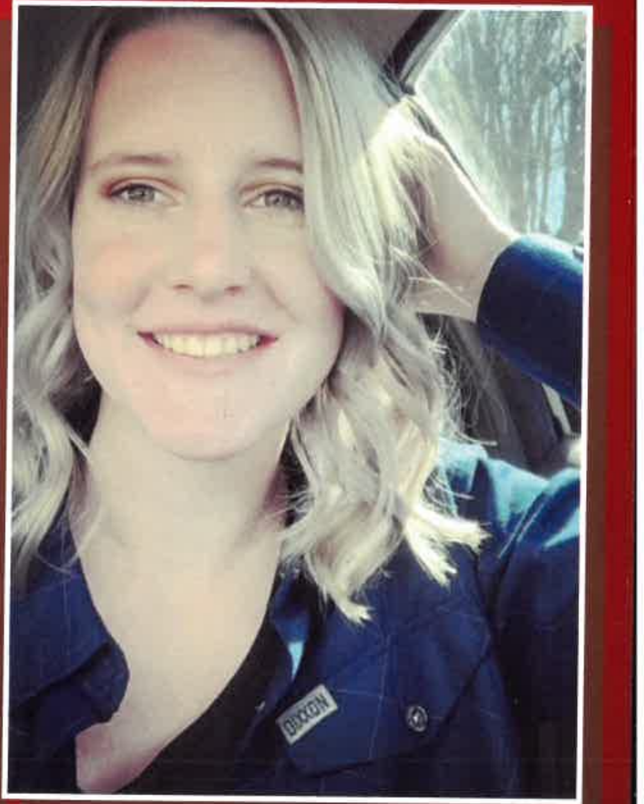
We love you to the moon and back!

Dad & Mom

We are so proud of all you have accomplished during your time with us. You have tried new things, visited new places, and made friendships to last a lifetime.

You will always
have a place
with us and a
home in Joseph
City!
We love you!
Ben, Ashley,
William & Olivia

Paul



From the day you were born, we knew big things were in store for you! No matter what challenges arose, you conquered and blew them away! We are so proud to be your parents and are so excited with all you have accomplished! We cannot wait to see what the world has in store for you. May life treat you well for now and forever!
Love, Mom and Dad

AVERY

We are so proud of you and
your accomplishments, Son!
We love you to infinity and
beyond! Good luck with all
you choose to do.
We are here for you!
Love, Mom & Dad

Oh, the Places You'll Go!

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head.
You have feet in your shoes.
You can steer yourself in any
direction you choose.
You're on your own.
And you know what you
know.
You are the guy who'll decide
where to go!
- Dr. Seuss

The Sky's the Limit

You could be the wise one, tougher than the top gun
You could be the king of it all
You could be the queen bee, bigger than the big cheese
You could be the belle of the ball

You could be amazing, funny
And brave and lucky
And glorious

The sky's the limit
So dive on in it
Go fly your colors
So high above us

And bring me back a souvenir
The next time you're around
Now fly before there's too much here
To keep you on the ground

- Nik Kershaw

Lauren

We are so proud of you and all you are and all you will become!
You are so loved,
Dad, Mom, Sarah, Mitchell, Hayden, Natalia, Kelsey

So proud of you!! You are beautiful inside and out! You are a leader, we have no doubt! You are going to do positive things in this world!!

We love you Ry Ry!

From bubbles in the bathtub to baskets on the court, we have enjoyed watching you grow into a fine young man. God has great things in store for you in this life. Never forget who you are and where you came from. We are so proud of you and all you have accomplished. We have been impressed with your true grit and positive attitude. We have learned much from you, as we have seen you overcome some great obstacles. We are excited to watch you enter this next phase of life! We love you!

Mom, Dad, Owen, Ben, & Tori

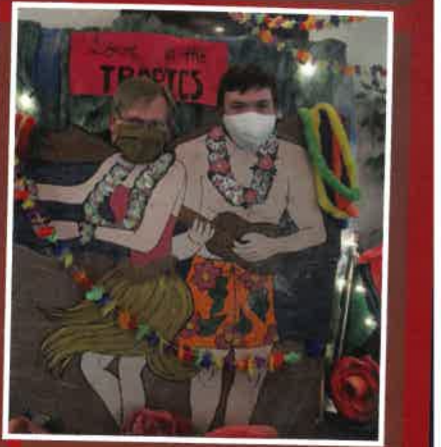
Thank you for coming to America and to Joseph City! You are amazing! We are all better for having had you join our family. We wish so many successes for your future. We love you so much! Don't forget to come back and visit us!

Love, Alonzo, Shari, Zoe, Cory, Jimmy, Judy, Karl, & Ian McLaws

BEHIND YOU, ALL YOUR MEMORIES.
BEFORE YOU, ALL YOUR DREAMS.
AROUND YOU, ALL WHO LOVE YOU.
WITHIN YOU, ALL YOU NEED!



ALL YOU NEED IS LOVE! VALENTINE'S DAY AT JCHS
